FILE HEADING.

Grant of mining leases to Messrs Tata Iron & Steel Co Ld for magnesite and chromite ores over the areas comprised in prospecting blocks nos 387, 388 and 404 in the Mysore & Nanjangud Taluks.

From

The Director (in charge), Dept of Mines & Geology

No. 2691	Dated 26-3-17	Received 27-3-17

Diary No. 8514	Enclos.	Spare Copies.	Serial No. 3

BRIEF ABSTRACT OF LETTER.

States that mining leases the grant of which was approved by Govt to Messrs Tata Iron & Steel Co, Ld, Bombay, under this P. Ls. nos 387, 388 & 404 have been sent to them for execution & return & will be submitted in due course for execution by the Dewan & requests, for reasons stated, that the said prospecting licences may be renewed for a further period of one year from the date of the expiry of their last renewed term & that the mining leases to be given effect to from the date on which they are signed by the Dewan.

NOTES AND ORDERS.

Submitted to Secretary linked with D no 7281

1) The Director has reported in an office connection that although Mr. Hayden, Director of Geological Survey of India, had recently visited the State & requested whether the State would supply if required the required quantity of magnesite & chromite to the Govt of India he was replied that there would probably be no objection to supply

with such as required.

2) It is a matter for consideration whether, under the above circumstances, it is expedient to grant the mining leases to the Company as already approved vide letter d 23-9-16.

3) The points for orders are (1) the renewal of the prospecting licenses for a further period of one year from the date of the expiry of their last renewed term; (2) whether it is expedient to grant the leases under the circumstances referred to in paragraphs above & (3) if the leases are granted, whether they may be given effect to from the date on which they are signed by the Dewan

FROM

B. JAYARAM, Esq., F.G.S.,
Director (in charge), Department of Mines and Geology,
Mysore State.

To

D.M. Narasinga Rao, Esquire, B.A.,B.L.,
Secretary to the Government of His Highness
the Maharaja of Mysore,
General Department.

SIR

With reference to your letter No.G.4282/Geol.17-16-2 dated 23rd September 1916, I have the honour to state that the approval of Government to the grant of the mining leases applied for by Messrs. Tata Iron & Steel Co, Ld.,Bombay, for Magnesite and Chrome Ores under their prospecting licenses Nos.387, 388 and 404 in the Mysore and Nanjangud Taluks, was duly communicated to them and that they have now paid the prescribed deposit in respect of the leases.

2. The mining blocks have also been surveyed and demarcated and the leases drawn up and sent to them for execution and return. They will be submitted to you for execution by the Dewan as soon as they are received back from them.

3. The prospecting licenses referred to above having expired on the dates noted in the margin, it was proposed to Messrs. Tata Iron & Steel Co. that the mining leases to be granted to them should have retrospective effect from the respective dates of the expiry of the prospecting licenses, or in other words

No.387 on 21-6-1916.

5

words that the period of 30 years for which the leases are to be granted, would count from the said dates; but they requested that as the delay in the issue of the leases was not due to any default on their part and as clause 10 of the leases requires mining operations to be started within one year from the date of the grant of the leases, the date of the leases should be that on which they are signed by the Dewan. This request being reasonable, I wrote to them that I would recommend it to the Government if they applied at once for a further renewal of their prospecting licenses and paid the rent due in advance for one year. They have accordingly submitted an application for the renewal of the licenses and paid the rent due. Under these circumstances, I solicit the sanction of Government for the renewal of the prospecting licenses for a further period of one year from the date of the expiry of their last renewed term and also for the mining leases to be given effect to from the date on which they are signed by the Dewan.

4. The favour of early orders is solicited.

I have the honour to be,

Sir

Your most obedient servant,

B. Jaya Rao

Director (in charge),

Department of Mines & Geology.
